How to choose Best CAT Preparation Books? Key Factors to Consider

Before making a choice of CAT preparation Books, you should consider following important factors and features in the book:

Check for Latest & Updated Edition: Pick out most relevant and updated books for CAT preparation which are as per the current CAT pattern, syllabus and are comprehensive and contain all the key topics section wise with the anticipated solved question types. For example, the VARC book should contain the latest type of questions and topics for Verbal Ability as the complete pattern is changed. Similarly, RC passages are shortened to 700-800 words from earlier 1000-1200 words. So, check that the CAT book is updated with latest material.

Choose Section & Subject Wise CAT Books: Choose subject wise books for CAT preparation. For example, you can opt for separate CAT prep books for Data Interpretation and Logical Reasoning.

Decide on One or Two Books: Choose only one or two very good CAT preparation Books to avoid any confusion in CAT preparation.

Check for Previous Solved CAT Papers: IIMs have been releasing actual CAT papers since 2017. Besides earlier, the CAT papers upto 2008 are also available. So, check that the CAT preparation books that you choose, should contain the all these previous CAT papers duly solved and also provide detailed solutions
