संदेश

मुझे यह जानकर प्रसन्नता हुई कि ICFAI विश्वविद्यालय देहरादून ने WURI-2021 (World's Universities with Real Impact) नवोन्मेषी विश्वविद्यालयों में 34वाँ स्थान प्राप्त किया है। इसी श्रेणी में वर्ष 2020 में भी विश्वविद्यालय द्वारा 44वाँ स्थान प्राप्त किया गया था। मैं, इस उल्लेखनीय उपलब्धि के लिये ICFAI विश्वविद्यालय के कुलपति, प्रबन्धन, शिक्षक, कार्मिकों व समस्त छात्र-छात्राओं को बधाई देता हूँ।

देश तथा विश्व के समग्र विकास एवं मानवता की सतत प्रगति में गुणवत्तापूर्ण व नवोन्मेषी शिक्षा की महत्वपूर्ण भूमिका है। समाज की विभिन्न सामाजिक व आर्थिक समस्याओं के समाधान हेतु नवोन्मेषी शोधों व अध्ययनों को प्रोत्साहित किया जाना आवश्यक है। विश्वविद्यालयों में उच्च गुणवत्ता की शिक्षा के अतिरिक्त विद्यार्थियों के व्यक्तित्व के समग्र विकास पर भी ध्यान दिया जाना आवश्यक है। उत्तराखण्ड राज्य उच्च शिक्षा के क्षेत्र में तेजी से उभरता हुआ केन्द्र है। मुझे विश्वास है कि ICFAI विश्वविद्यालय देहरादून की इस उपलब्धि से राज्य में उच्च शिक्षा को एक नया आयाम मिलेगा तथा राज्य के अन्य संस्थानों को भी उत्कृष्ट प्रदर्शन करने की प्रेरणा मिलेगी।

ICFAI विश्वविद्यालय, देहरादून को वैश्विक स्तर पर अपना एक विशिष्ट स्थान बनाने के लिए पुनः हार्दिक बधाई एवं शुभकामनाएँ।

EDUCATION METHODOLOGY

The education methodology adopted by IBS Dehradun encourages independent thinking and helps the students in developing holistic perspectives, strong domain knowledge, contemporary skill-sets and positive attitudes.

Classroom Instruction: Students receive full -time classroom instruction, which helps them to learn and consolidate their understanding of the subjects.

Independent Study: Quality course-ware is available in the library. This helps students to achieve the desired level of knowledge through self study.

Case-based Learning: IBS Dehradun uses the case method as an important teaching and evaluation tool. The case based learning is integrated as a dominant tool in the education methodology which reinforces the students' understanding of the concepts and their ability to apply them in real life and practical business situations. Case studies of reputed Indian and international companies are used which help the students to understand the complexities in various business, political, legal and social environments. The case study advantage offered by IBS is of life-long advantage for the students. Case based Learning helps:

- Develop skills in problem solving and decision making in complex business situations
- Gain confidence in handling dynamic situations
- Acquire valuable experiential learning that simulates the business environment in a classroom.

Learning through cases is like learning by doing. What one learns by doing, one remembers for a long time. The case study advantage offered by IBS is a life-long advantage for the students.

IT Lab: Assignments related to computers will require the students to spend significant time in the lab. All students will have access to well-equipped computer lab, for their practical work.

Soft Skills Lab: Special emphasis is given to impart soft skills to meet the corporate requirements. The exclusive design and the right mix of training processes help the students to add a new dimension to their personality.

Summer Internship: The Summer Internship enables the students to experience the rigor of business environment and combine the concepts learnt in classroom with the real-life situations in organizations. The Summer Internship is undertaken after the second semester of the program and is faculty supervised. It enables the students to experience the rigor of business environment and combine the concepts learnt in classroom with the real-life situations in organizations. The broad objectives of summer internship are:

- To provide students with opportunities to apply the concepts learnt in the classroom to real life situations.
- To sensitize students to the nuances of a work place by assigning time bound projects in a company.
- To provide students a platform to work and develop a network which will be useful to enhance their career prospects.

Industry Interaction

IBS consciously encourages industry interaction with a wide cross section of professionals in the industry. Summer Projects, industry interaction programs, guest lectures, seminars etc., organized in association with the industry offer students an opportunity to exhibit their organizational and communication skills, analytical abilities and awareness of contemporary issues to leading recruiters.

Evaluation

Student performance in each course is assessed by means of continuous evaluation (based on assignments, presentations, seminars, case discussions, projects and class tests) and Mid Term and Final Term examinations.

Projects

Students are encouraged to pursue live projects in each of the courses to enhance their learning by applying theoretical concepts to industry situations. This is done under the guidance of experienced faculty for proper focus and implementation.

RESOURCES & FACILITIES

Library Facilities

The campus has well-stocked library. Students have access to the finest selection of contemporary books and journals which supplement the prescribed reference books and textbooks. The library is augmented with books, periodicals, journals, magazines and other publications on a regular basis.

Faculty

The faculty brings their extensive knowledge, professional experience and advanced education to their task. The faculty members have very good academic backgrounds and sound conceptual knowledge in their respective disciplines.

Computing Facilities

The campus is provided with the necessary latest hardware and software infrastructure to cater to the computing needs of all students and faculty and the training needs of information technology related courses. It is equipped with servers and multiple terminals with multiple operating systems enabling a client server environment. High speed Internet connectivity is provided to all students.

Laptops

It is essential that students joining the MBA Program need to have their own laptops during the study period, since computers are extensively used as part of the curriculum at IBS Dehradun. Hence it is mandatory that students make their own arrangements to buy the same, when they join the program.

Hostel Facility

Boys hostel and girls hostel managed by the University (outside the campus) to be allotted on first cum first serve basis. In addition, the University administration helps the students to seek a suitable PG accommodation nearby campus.

Seminars

Students may participate in seminars on management topics and make presentations of the same in class. These are done under the guidance of the faculty and will hone the reading, summarizing and presentation skills of the students apart from inculcating the reading habit in students.

Guest Lectures

Guest lectures play an important role in the developmental process of the students. Eminent academicians and practicing professionals are invited for guest lectures where students get an opportunity to interact closely with them and understand the practical applications of various management concepts and ideas. Through these activities, students get acquainted with leadership roles, develop group and interpersonal skills and develop the right kind of attitude for success in their careers.

PLACEMENTS

IBS Dehradun gives utmost importance to assist students in getting suitable placements after successful completion of the program.

The placement team positioned at the campus looks after the placement activities on a full-time and continuous basis. Staffed by senior professionals and placement executives, the placement team initiates and maintains the University-Industry dialogue and manages the summer internship program and final placement activities. The team evaluates student performance levels and ensures relevant preparation for their corporate placements.
