Where It All Started

LM Thapar School of Management (LMTSM) was established on July 23, 2007, in the erstwhile princely state of Patiala (Punjab, India), under the flagship of Thapar Institute of Engineering and Technology (Deemed-to-be-University), a 70 years of legacy. In 2013, LM Thapar School of Management relocated to the Dera Bassi Campus. The tech-savvy campus is set on a sprawling area of 26 acres. With students from all across India, LMTSM has a residential facility for over 500 students.

Emerging Leader Scholarships (Merit-based)

Financial support in the form of scholarships is extended by our school. We award a number of scholarships on our MBA program to applicants who have achieved excellence in their prior academic studies. A key consideration in our selection of Scholarship awards will therefore be the degree to which we believe the candidate will make a significant contribution to the quality of the Thapar's MBA programme. There are 90 Merit scholarships available under this category divided into 50%,30% and 20%.

The scholarships would be awarded on the basis of student's ranking in the admission evaluation process and will be continued on the basis of the student's academic performance in the first year.
