- Association to Advance Collegiate Schools of Business (AACSB), USA
- National Board of Accreditation (NBA)
- Association of MBAs (AMBA), London

MDI has been consistently ranked among the top B-schools in various ranking surveys conducted by National and International agencies. MDI global footprints with its alum in more than 54 countries provides a strategic corpus of knowledge. Over 700 new members join the MDI alumni network every year.

MDI programmes are approved by the All-India Council for Technical Education (AICTE). The residential nature of MDI programmes provides an unique opportunity for teamwork and continuous learning on campus with round the-clock access to state-of-the-art library.

Research by MDI faculty, along with business leaders and policy experts talks provides a blend of experience. Located in the National Capital of Delhi in the business hub of Gurugram, MDI provides a unique government & corporate connect to the student community.

CORE VALUES

MDI inculcates core values that direct its vision and mission to attain excellence and sustain innovation.

ACCOUNTABILITY

MDI shall ensure accountability to all its stakeholders rooted in internal management and external adherence to law and society norms.

TRANSPARENCY

MDI shall operationalize transparency as the ability of individuals in the organization to be responsive, productive, and innovative.

TRUST

MDI shall seek to earn inter-personal trust by adopting governance practices reinforced with policy and on process-based decision making.

INCLUSION

MDI shall promote non-discrimination practices for all sections of society that advance cohesion and diversity as affirmative action.

EMPATHY

MDI shall foster a culture of care and co-create skills for everyone to move towards their professional goals.

VISION

"MDI aims to be a globally recognized management school through academic excellence and continuous innovation to nurture responsible leaders for creating sustainable alternatives."

MISSION

- Become a globally recognized management school with international and national recognition through knowledge development.
- Enhance academic excellence in research, consulting, training, and teaching with cutting edge resources.
- Encourage continuous innovation.
- Create and nurture socially responsible leaders.
- Promote sustainable alternatives in decision making.

DIRECTOR'S MESSAGE

Management education is at the cusp of a major shift. Technology, geopolitics and rapid innovation conspire to craft the futures of today's students very differently from that of generations before them. Standard curricular approaches, models & structures struggle to arm students with the skills they need at the workplace. What can be "taught" in a classroom is already available online, usually free. Recruiters increasingly look for a combo of minds that can deal with unfamiliar landscapes, strategize in a VUCA world, understand & deploy new technologies, leverage behavioral understanding to create nudges, and lead with passion that can galvanize teams & execute in the face of surprises & disappointments. MDI seeks to focus on a combination technology, behavioral science and sustainability to design & implement a significant chunk of its curriculum.

Young at 52, MDI is uniquely poised to take on these challenges. Consistently ranked among the nation's best, it creates the best peer learning environments - powered by the intellect, energy and excitement of one of India's brightest student bodies -- across programs in traditionally corporate-focused business as well as in the art of governing. Guided by a world-class faculty -- seasoned and research-active -- it enables learning with best-in-class infrastructure in (or virtually linked to) a verdant campus at the heart of one of the country's most buzzing corporate & entrepreneurial hubs. MDI alumni run corporate behemoths & launch unicorns. It provides the perfect setting to reflect on the questions that matter -- in business & public policy -- with the connects to help the answers make a difference.

Prof. Arvind Sahay Ph.D.
Director, MDI Gurgaon
Professor of Marketing

At MDI, we realize that life after 50 will be different. It will be inevitably global, digital and experiential. Paradigms can no longer be taught; they need to be shaped. Businesses will range from global to hyperlocal. Values & relationships will continue to be the underpinning of long term success of individuals and businesses. We at MDI seek to inculcate and live by these tenets.

Whether as an aspiring B-Schooler, or a motivated public official, a corporate executive, a passionate entrepreneur, a seasoned recruiter, a global scholar or an aspiring academic, it is more likely than not that you will find what you want at MDI. Come, talk to us. Drop a line; or better still drop in, when things permit. Who knows what we can create together?

Admission Process for PGDM/PGDM-HRM/PGDM-IB & PGDM-Business Analytics (2025-27)

Applicants must have a COMMON ADMISSION TEST (CAT 2024) to be eligible for admission to the PGDM, PGDM-HRM, PGDM-IB & PGDM-Business Analytics programs of MDI Gurgaon and PGDM program of MDI Murshidabad.

Important dates regarding CAT-2024:

Starting Date for CAT 2024 Registration:	Thursday, August 1, 2024
Closing Date for CAT 2024 Registration:	Friday, September 13, 2024
Starting Date for MDI Online Application:	Wednesday, September 25, 2024
Closing Date for MDI Online Application:	Friday, November 22, 2024 (5:00 PM IST)
Common Admission Test Date:	Sunday, November 24, 2024

Eligibility Requirements:

- At least 50% marks or equivalent CGPA in both class X and XII.
- Bachelor's Degree (Minimum 3 years duration for PGDM, PGDM-HRM & PGDM-Business Analytics (Minimum 4 years duration for PGDM-IB), with at least 50% marks or equivalent CGPA in any discipline from any University recognized by the AICTE/AIU/ Ministry of HRD, Government of India¹.
- Candidates appearing for the final examination for the Bachelor's degree (or equivalent examination) and completing all requirements for obtaining the Bachelor's degree by 30th June, 2025 can also apply to the PGDM, PGDM-HRM & PGDM-Business Analytics programmes, subject to furnishing evidence to that effect latest by 31st October, 2025.
- Applicants to the PGDM-IB programme must possess **a minimum of 1 year (one year) work experience as on 31st January 2025, after completion of a minimum 4 years Bachelor's degree for the programme. The candidates with 3 years' bachelor degree are NOT ELIGIBLE for PGDM-IB Programme.**

¹The basis for computing the percentage obtained by the candidate would be based on the practice followed by the university/ institution/board from where the candidate has obtained the degree/certificate. In case of the candidates being awarded grades/CGPA instead of marks, the equivalence would be based on the equivalence certified by the university/ institution/board from where they have obtained bachelor's degree/certificate. In case the university/ institution /board does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by MDI by dividing obtained CGPA(X) with the maximum CGPA(Y) and multiplying fraction so obtained by 100 (Z). e.g. (X)/(Y)*100.

MDI's Global Footprint

Discover a World of Opportunities

At MDI Gurgaon, we have always been committed to fostering a global perspective among our students and faculty. Our dedication to internationalization is evident in the numerous partnerships we've cultivated with esteemed educational institutions worldwide. As of 2024, MDI boasts a remarkable 95 international partnerships, opening doors to a world of opportunities for our graduate program students.

Our students are our greatest ambassadors on the global stage. MDI's graduate students have consistently participated in exchange programs, immersing themselves in diverse cultures and academic environments. These experiences not only enrich their education but also prepare them for a globalized job market.

MDI Gurgaon also actively receives exchange students from its partner institutions, fostering a diverse and enriching learning environment on its campus. This exchange program not only enhances cross-cultural understanding but also expands students' global networks, preparing them for a more interconnected world. Graduate students also have the opportunity for engaging with international students visiting MDI for acquainting themselves with Indian business practices and immersing themselves in the Indian socio-cultural milieu as part of immersion programs and study tours.

MDI Gurgaon is equally devoted to nurturing our faculty's international exposure. Faculty exchange programs have enabled our professors to collaborate with prestigious institutions across the globe, bringing a wealth of knowledge and

expertise back to our campus. In the past five years, MDI faculty members have engaged in short- and long-term academic assignments with partner institutions, enhancing their global perspectives.

We believe in the power of knowledge sharing, and our campus has welcomed international academicians who enrich the learning experience for both our students and faculty. These interactions help bridge the gap between different educational systems and bring diverse perspectives into our classrooms.

MDI Gurgaon's commitment to internationalization is unwavering. As a student at MDI, you will be able to explore a world of opportunities and augment your learning with a global perspective. Your journey begins here, where knowledge knows no borders.

The Global Engagements office and student committee facilitate the graduate students in their smooth exchange program process, starting from the registration formalities till the students return back from the exchange program.

Scholarship Information

Every year MDI Gurgaon's students compete and receive popular national level scholarships for international mobility, such as the French Charpak Scholarship. Some of our partner institutions also offer the Erasmus Scholarship to MDI students based on their academic excellence.

PGDM | 2020-22

My 2 years at MDI Gurgaon were a rollercoaster ride, to say the least. I was part of the unfortunate batch which had to go through a whole year of online classes and virtual internships which meant we could not network as much as a normal MBA batch does. But that said, it is nothing to take away from the fact about how holistic the experience was and how much I learned throughout the course. I got to work with some of the best minds in the country and studied under industry stalwarts. The best part of MDI is that the institute challenges you every day and throws something at you that you think is impossible just to realize how much you can push yourself and get things done. Being part of the students' council taught me a whole lot about stakeholder management and decision-making. To sum up, I can say that I am proud to be part of the Mandevian legacy & looking forward to working with the institute to take it to better places in the future.

PGDM | 2021-23

My time at MDI Gurgaon was more than just earning a degree-it was a launchpad for personal & professional growth. I had the chance to experience both virtual and in-person classes, but the time spent on campus was truly invaluable. Networking with diverse individuals broadened my perspective and shaped me in ways that will stay with me for life. The rigorous academics, practical exposure, and faculty mentorship provided deep insights into the business world. As I move forward, I feel well-prepared to tackle new challenges, thanks to the solid foundation I built at MDI. A Mandevian at heart, I'm always eager to contribute to the institute.

My two years at MDI have been the most enriching and transformative of my life. The pedagogy is such that you enjoy the process of learning. The professors are incredibly knowledgeable and supportive, ensuring that we always feel connected to industry realities. Additionally, the MDI network is exceptional. With a diverse pool of alumni, from Directors to recent graduates, everyone goes above and beyond to offer their assistance and guidance

I would describe my time at MDI Gurgaon as a melting pot of experiences, where I got an opportunity to sample the heft of academic excellence delivered by a mix of highly experienced resident and visiting faculty, mingled with a smart and diverse peer group, cracked complex academic and live industry problems, and partook in a plethora of student activities to help me give back to the institute and the society. At the end of two years, I walked through the doors of my alma mater as a thorough professional - armed with the skills required to boost my career, the humility and sensitivity to build lasting relationships, and the confidence and tact to deal with any situation.

MDI's PG HRM course not only made me privy to the changing expectations of HR leaders in the post-pandemic era but also equipped me with the necessary tools to survive and navigate successfully in this agile and dynamic business environment. The multitude of guest lectures and corporate talks from business leaders during the 2-year course brought in a new perspective of thinking and helped me understand and curate my thought process as to what drives and sustains a business. It is sad that most of the curriculum for us (PG 20-22) was online due to the pandemic, but MDI still gave us the requisite platform to work and grow together during the project presentations, club events, the dreaded placement seasons, and the evergreen batch meets. I am grateful to MDI for the innumerable lessons, unparalleled industry exposure, countless sleepless nights, the infinite connections and network, and the bags of memories that are going to guide me forever in the corporate world.

MDI has nurtured students over the decades not just into professionals who are heading leadership roles at various organisations but it has also nurtured students into thought leaders and change masters who are equipped with every relevant skills that is required in corporate world and life in general. MDI has shaped my personality in a comprehensive manner and continues to shape even after college through a great alumni network, networking events and friendship bond that I truly cherish.

My journey at MDI Gurgaon was a transformative rollercoaster ride, filled with diverse experiences that shaped me into a resilient and driven individual. Through various events and meaningful interactions, I forged lifelong bonds with my team and alumni. MDI instilled in me a strong work ethic, professionalism, and academic rigor, laying a solid foundation for my future success. The interactions with faculty and my tribe helped me grow both personally and professionally. I cherish the memories and networks built during my time here.
