### 4. MBA Colleges Use Other Parameters in Admission along with CAT Scores

Many top MBA colleges accepting 80 percentile and above in CAT 2025 have relaxed the weightage for CAT score in the final selection process and have increased the weightage on other parameters. So, while selecting best MBA college with your CAT percentile, please remember that following components also play important role:

- **Your Academic Profile:** 90 percent & above marks from class 10 onwards can get you a weightage of 20-30 percent
- **Work Experience:** A weightage of 5 to 10 percent is awarded for relevant work experience of 2-3 years, in final selection process
- **Non-Engineering Back Ground:** Academic diversity also helps you to get additional weightage of 2 to 5 percent in getting final admission offer
- **Gender Diversity:** If you are a female, all the top MBA colleges will award you a weightage between 3 and 5 percent over and above other parameters in final admission process.
