### Top MBA Colleges Accepting CAT 90–95 Percentile 2025: Profile Matters Too

Candidates should remember that these top MBA colleges accepting CAT 90-95 percentile use CAT scores as cut offs, but also look for “profile” of a candidate when shortlisting and making final admission offers. Here are the key profile parameters used by the best MBA colleges alongwith CAT scores.

- **Your Academic Profile:** 90 percent & above marks from class 10 onwards can get you a weightage of 20-30 percent
- **Work Experience:** A weightage of 5 to 10 percent is awarded for relevant work experience of 2-3 years, in final selection process
- **Non-Engineering Back Ground:** Academic diversity also helps you to get additional weightage of 2 to 5 percent in getting final admission offer
- **Gender Diversity:** If you are a female, all the top MBA colleges will award you a weightage between 3 and 5 percent over and above other parameters in final admission process.
