

IMI KOLKATA ADMISSIONS 2026

APPLY NOW

Director's Message

It gives me immense pleasure to welcome you to the admission process of International Management Institute Kolkata which is one of the three Chapters of IMI, India's first corporate-sponsored Business School. The information presented here is only a part of our continuing effort to serve various stakeholders such as students, alumni, industry experts and our constituents in the business community.

The founders of IMI have built IMI Kolkata with a clear objective to promote significant opportunities to learn, grow and most importantly, develop and hone multiple skills across various disciplines of management. At IMIK, we innovate and encourage our students to achieve.

We believe that learning should be an enjoyable process that allows students to develop their goals and aspirations, and provides them with the constant support and the required study ambience to achieve those targets. Our academic and research collaboration with a number of business schools and universities abroad reveals an important dimension of our international focus. In a span of eleven years, our graduates have shown evidence of becoming world citizens. They also achieve respect and a sense of achievement. They are our greatest ambassadors!

In the post-pandemic world, the digital transformation in industry sectors have impacted their business models. It is important for managers and other stakeholders to recognize the characteristics and patterns of the digitalization shifts and the far-reaching impact of generative AI. It is believed that with access to such knowledge and technological advances, managers may be able to assess a firm's investment opportunities appropriately to mitigate the most material risks. IMIK's academic objectives are mostly in light of preparing our students to face up to the many disruptions we often observe in business.

IMI-Kolkata's full-time faculty members are continuously working on the creation of new knowledge. The aim has been to contribute new insights to the national and international academic communities on one side and to provide innovative content for teaching on the other side. With this perspective, the institute constantly endeavours to upgrade its intellectual capital and the know-how and skill levels of its faculty team.

Thank you for visiting our website and we look forward to welcoming you into the IMI Kolkata experience as we continuously position ourselves to help our stakeholders achieve their potential.

About IMI Kolkata

IMI Kolkata is a part of the RP Sanjiv Goenka Group and the IMI family of Business Schools in India, with IMI Delhi as the parent institute. IMI Kolkata came up in 2011 to enable bright young minds to gain access to world-class management pedagogy. Ranked 42nd across 1026 Management Institutes in India by the National Institutional Ranking Framework (NIRF), Ministry of Education, GoI in 2025, IMIK offers a two-year full-time AICTE-approved PGDM programme, which is equivalent to an MBA (as per Association of Indian Universities). Our programme is accredited nationally by the National Board of Accreditation (NBA), the National Assessment and Accreditation Council (NAAC) and internationally by the Association of MBAs (AMBA). We are also active members of AACSB and EFMD.

Being located strategically in the heart of Kolkata, West Bengal, IMI Kolkata enjoys very strong industry linkages. The Institute has a world-class infrastructure, highly experienced faculty members, an experiential-based learning approach, and industry- mentored curriculum, which act as the pillars of success. The international linkage of the institute has grown over the years and spans across Business Schools/Universities in North America, Europe, and Asia with regular faculty and student exchange programmes.

Once you step into IMI Kolkata, there is no turning back. You have a whole new world waiting for you to make your own.

Post Graduate Diploma in Management (PGDM)

The two-year PGDM programme is meant to give aspiring managers the tools they need in a variety of functional management areas to manage firms in a creative way. The programme's design seeks to help students gain fundamental managerial skills for use in both Indian and international contexts. The PGDM programme architecture is regularly updated to meet the needs of the modern market and to better equip students for their long-term professional objectives. Students have access to modern courses like Digital Marketing, Fintech, Data Analytics and Machine Learning, Generative AI, Business Analytics, Entrepreneurship, ESG, New Venture Development and Design Thinking for Rural Innovation etc. In the second year, students take modern elective courses taught by on-campus faculty members and industry professionals.

The programme is approved by AICTE, accredited by National Board of Accreditation (NBA) and internationally by the prestigious Association of MBA's (AMBA).

Programme Highlights:

24-month, full-time programme that aims to help build in-demand competencies from the very first term

Fully residential campus with air conditioned accommodation

Programme developed with input from industry experts, and taught by a highly skilled combination of academicians and industry experts

The curriculum includes a mix of different pedagogical tools as case study-based approach, group assignments, and simulations, internship projects with companies leading to the holistic development of programme participants

The Student Exchange Programme is conducted in collaboration with foreign universities

Contemporary Curriculum on Local Business Accelerator (LBA), Data Analytics and Machine Learning, ESG and Design Thinking for Rural Innovation

Professional Certification from Coursera

Specialization available in MIS & Analytics, Marketing, Finance, OB&HR, Operations Management & OT and Strategy

AICTE

Approved by AICTE and accredited by both the National Board of Accreditation (NBA), National Assessment and Accreditation Council (NAAC) and the prestigious U.K based Association of MBAs (AMBA)

A compulsory Summer Internship Programme (SIP) at the end of the first year

Industry-mentored and faculty-guided Capstone Project for gaining real-time experience

Programme Duration

- The PGDM programme at IMI Kolkata is a two-year full-time course. The Institute follows a trimester system, with the programme comprising six trimesters in total. Each trimester runs for a duration of 11–12 weeks, and the academic session commences in early July.
- The Student Exchange Programme is conducted in collaboration with foreign universities.

Elective courses are offered across the following seven functional areas of management:

Marketing

Finance

Management Information
System and Analytics

Organizational Behaviour and
Human Resource Management

Economics

Operation Management and
Quantitative Techniques

Strategy, Innovation and
Entrepreneurship

Students are permitted to opt for courses from two areas of specialization, selecting one as the major and the other as the minor.

New-age Courses

LBA course, it focuses on connecting students with local businesses, providing them with opportunities to collaborate, analyze business challenges, and propose strategic solutions. Through LBA, students gain practical insights into real-world business scenarios, develop problem-solving skills, apply classroom knowledge to actual business situations and contribute to the growth of local enterprises.

ESG, IMI Kolkata prioritizes Environmental, Social, and Governance (ESG) principles in its curriculum, focusing on responsible and sustainable business practices. The curriculum teaches students to evaluate a company's performance in terms of ethical, social, environmental and governance perspectives, equipping future business leaders with the necessary knowledge for long-term sustainability.

Data Analytics, The Data Analytics area at IMI Kolkata provides a comprehensive and hands-on program that equips students with a versatile skill set to navigate the evolving data landscape. Our curriculum covers a wide spectrum of tools and techniques, including Excel for data preprocessing and visualization, R and Python for statistical analysis, machine learning and textual analytics, SQL for database management, Tableau for data visualization, SPSS Statistics and SPSS Modeler for advanced analytics, and NVivo for qualitative data analysis. By integrating these powerful tools into our coursework, students gain proficiency in the entire data analytics workflow, from data collection and preprocessing to advanced modeling and visualization. This holistic approach ensures that our graduates are well-prepared to excel in data-intensive roles and contribute effectively to data-driven decision-making in various industries

Design Thinking for Rural Innovation

IMI Kolkata has collaborated with the School of Design Thinking to integrate the course on Design Thinking in a comprehensive manner. With the support of Mission Samridhi, a social impact platform dedicated to holistic development of Rural India, the course "Design Thinking for Rural Innovation" aims to provide management students with hands-on elements in the rural community and empower them with the skills and methodologies of Design Thinking to address and solve pressing issues in rural areas. This course primarily helps students to hone their Critical Thinking, Problem-Solving and Integrated Thinking skills.

Generative AI

IMI Kolkata introduces a specialized course on Generative AI (GenAI), a transformative technology that is reshaping industries by automating creative processes, enhancing decision-making, and enabling innovative business models. The course is designed to familiarize MBA students with the core concepts of GenAI, its technological foundations, and its wide-ranging practical applications. It further examines the managerial implications of GenAI adoption, including system architecture, deployment strategies, capability development, governance, and ethical considerations. Delivered through a blend of theory, case studies, hands-on practice, and real-world business applications, the course aims to equip students with actionable GenAI literacy and the skills to leverage its potential in managerial contexts.

Industry Interaction

Insight 2026

"IMI Insight" is a part of IMI Kolkata's Knowledge Series initiative that will bring together leading thinkers and industry leaders who will deliver their expert overviews on contemporary topics. The purpose of these sessions is to garner insights for illuminating the young minds of the student community.

Bharat Blockchain Yatra

IMI Kolkata as the first Management Institute in India proudly hosted the Bharat Blockchain Yatra Event, an initiative by Information Data Systems (IDS) in collaboration with AICTE

Round Table

IMI Kolkata, under its "IMI Insights" initiative, conducted a roundtable discussion on 'From College to Management Education and Beyond'. The initiative was aimed at bridging the gap between students and industry experts, and garnering insights to illuminate young minds.

RPSG Unplugged

"RPSG Unplugged" is a part of IMI Kolkata's Knowledge Series initiative that will bring together leading thinkers and industry leaders from the Group who will deliver their expert overviews on contemporary topics. The purpose of these sessions is to garner insights for illuminating the young minds of the student community.

Entrepreneurship Summit

IMI Kolkata's Entrepreneurship Summit (during orientation program), themed "Driving Economic Growth through Entrepreneurship," featured insights from Ms. Rachna Jaiswal (PIPABOX), Mr. Ritobroto Mukherjee (Emsurg), Mr. Ankit Chhaparia (Coftea), Mr. Rahul Basak (Philoyes), and Ms. Vinita Saraf (Ektara Foundation). They discussed entrepreneurship's role in economic growth, job creation, and innovation.

Supply Chain Summit 6.0

IMI Kolkata hosted Supply Chain Summit 6.0 on "Navigating Supply Chain Resilience in the Digital Age." Dignitaries like Mr. Gautam Mukhopadhyay, Lead Consultant & entrepreneur, Amvision; Mr. Anirban Sanyal, Head, Supply Chain and National Logistics, Century Ply and Mr. Anupam Bhattacharya, Sales Planning Manager, Tata Steel discussed digital transformation & strategies. The session highlighted digital technologies and strategies for effective supply chain management.

TEDx TALK

IMI Kolkata hosted a discussion on the "Climate Crisis" with environmentalists and scholars. The event provided practical strategies for managing renewable energy and combating greenwashing.

Talent Acquisition Conclave

IMI Kolkata hosted the third "Talent Acquisition Conclave 2023," where experts discussed employee retention strategies, including recognition, trust, respect, hybrid work models, and supporting women in the workforce. The session aimed to draw, motivate, and retain top talent, reducing the gap between industry and academia.

Eligibility Criteria

50% marks or equivalent CGPA in graduation from any AIU approved academic institution. Those graduating in 2026 may also apply.

Educational Background

A bachelor's or equivalent degree, in any discipline, including Engineering, Humanities, Commerce, Economics, Medicine or any other branch of education, from a recognized university in India or abroad (recognized by the UGC / Association of Indian Universities). The bachelor's degree or equivalent qualification of the candidate must entail a minimum of three years of education, post higher secondary schooling under the 10+2 system or equivalent. Candidates appearing in the final year of their bachelor's degree or equivalent are also eligible, provided they furnish proof of meeting the minimum eligibility criteria by September 30, 2026. Candidates who are unable to comply with this requirement are liable to be rejected from the programme.

Categories of Applicants

Self-Sponsored Candidates

Applicants are either fresh graduates or have worked for a few years and joined IMI Kolkata after quitting their jobs. The Institute's placement cell provides them placement assistance on the best effort basis.

Company Sponsored Candidates

IMI Kolkata accepts applications from company-sponsored candidates. These candidates will also be assessed as per the selection process followed at IMI Kolkata.

Candidates being sponsored by their respective companies must submit a letter from the sponsoring organization to this effect and undertake to pay all fees and dues from time to time, during the complete duration of the programme. This letter/undertaking will be required to be submitted at the Personal Interview stage.

Foreign Nationals

IMI Kolkata accepts applications from candidates with Foreign Nationality. These candidates will also be assessed as per the selection process followed at IMI Kolkata. Candidates with Foreign Nationality are required to hold valid foreign passports and will not be eligible for receiving any placement assistance from the Institute's placement cell.

Personal Interview

The last stage of the procedure is the Personal Interview round in which students are evaluated based on their knowledge of current events, oral communication skills, domain knowledge of their degree, and work experience (if any). This is an extensive session with a panel that includes representatives of the faculty, business houses, and alumni. Students are also assigned a topic for the extempore round, which assesses their ability to think on their feet.

Applicants should note that mere fulfillment of minimum eligibility criteria may not ensure consideration for shortlisting by IMI Kolkata. IMI Kolkata will not entertain any correspondence on this subject and decisions of the IMI Kolkata Admissions Committee will be final in all matters.

How to Apply

For complete information, refer to the Admission Bulletin 2026 – 28. Please note that after submitting the final application along with payment of application fee, the candidate cannot edit or make any changes in the given information

- Application form is available at <https://admission.imi.edu/kolkata/>
- Users should create a new account while applying online. The login details will be used for filling the admission form and for checking the status of the application later. After logging in successfully, the admission form will be displayed.
- Applicant should complete the online application form and submit it along with non-refundable application processing fee.
- Incomplete forms are liable to be rejected.

Payment Instructions

The admission application form fee will be as follows:-

- Application processing fee for Kolkata's PGDM programme is Rs.2250/- .
- The admission fee can be paid through Credit Card/ Debit Card/ Net Banking through the designated payment gateway. No receipts are to be sent to IMI's Admission Office.
