MAH MBA CET 2026 Preparation Plan

Follow the MAH MBA CET Exam preparation plan below to improve your exam performance:

- **Understand the Exam Pattern and Syllabus:** As detailed above, familiarize yourself with the MAHCET syllabus and sectional structure. Knowing the number of questions in each section will help you prioritize your preparation.
- **Focus on Logical & Abstract Reasoning:** Reasoning in MAH CET carries highest weightage of 50% in the exam. With little more practice in this section, you will get an edge in the exam
- **Read and Practice Verbal & RC Passages:** Getting the concepts clear on grammar and usage of vocabulary is an essential part of preparation. Focus on errors in grammar based questions for VA preparation. For RC Preparation, focus on tackling RC passages. Improve comprehension skills by reading diverse materials. More you practice more skilled you will become
- **Strengthen Quantitative Aptitude:** Concentrate on key areas like arithmetic, algebra, and geometry. Regularly solve practice problems and take timed mock tests to boost speed and accuracy.
- **Take Regular Mock Tests:** Take full-length mock tests and analyze your performance after each. Focus on understanding errors and improving time management for each section.

- **Manage Stress:** Don't let the exam stress overpower you. Manage it with daily smart preparation and stress busters like music and exercise.
- **Chalk Out a MAH CET Preparation Time Table:** During the short time of preparation you need to make a MAH CET preparation Time Table with time allotted to each section preparation and practice as per your weak and strong areas. So do a SWOT analysis and prepare the time table. Follow this time table meticulously.
- **Stay Positive and Avoid Burnout:** A calm and positive mind will improve your performance. So take breaks, eat healthy, and get enough sleep to stay fresh and positive.

Following the above MAH MBA CET preparation strategy will help you do well in the exam.
