11. Are Arun Sharma Books for CAT 2026 best Study Material?

Both Arun Sharma CAT books 2026 and study material from coaching institutes like TIME, IMS, and Career Launcher have their own strengths and cater to different needs of CAT aspirants. Here's a comparative analysis to help you decide:

Arun Sharma CAT Preparation Books 2026

- Concept-oriented approach with detailed explanations, making them ideal for beginners.
- Structured progression with three difficulty levels for each topic, helping students gradually build their skills.
- Well-suited for self-study and easily available at an affordable price. Check buy links in this article.

CAT Coaching Institutes (TIME, IMS, CL) Study Material

- Updated regularly to match the latest CAT difficulty levels.
- Offer comprehensive mocks and sectional tests that simulate real exam conditions.
- Teach short cut problem-solving techniques, crucial for time management in the exam.
- Can be expensive compared to books.
- May lack in-depth theoretical explanations, as they are designed for those attending classes.

Arun Sharma CAT Books Vs Coaching Material - Which One is Better?

- If you are self-preparing and need a strong conceptual foundation, Arun Sharma's books are a great choice.
- If you are looking for exam-level practice, updated strategies, and regular mock tests, coaching institute material is better.
- The best approach is to combine both—using Arun Sharma for concept clarity and coaching institute mocks and practice tests for real CAT-level preparation.

12. Other CAT Preparation Material and Guides

Arun Sharma CAT books are best used to build concepts and practise topic by topic. Cracking CAT 2026 also needs a clear study plan and a good grasp of the CAT syllabus and exam pattern. You also need regular practice with actual CAT papers and full-length mock tests. Use the free MBAUniverse.com guides below to complete your CAT preparation:

- [CAT Preparation 2026](#): Use our complete CAT preparation guide, including the last 60 days preparation plan, to decide when and how to use each Arun Sharma book in your study schedule.
- [CAT Syllabus 2026](#): Check the section-wise topics for VARC, DILR and QA. Then match them with the chapter lists of the Arun Sharma books given above to spot any gaps in your preparation.
- [CAT Exam Pattern 2026](#): Understand the sections, number of questions, sectional time limits and marking scheme, so that your practice from these books matches real exam conditions.
- [CAT Previous Year Papers](#): Solve actual CAT papers to test what you have learnt from Arun Sharma books and to see which topics come up most often.
- [CAT Mock Test 2026](#): Take full-length mocks and CAT sample papers regularly to build the speed and accuracy that books alone cannot give you.

13. Summary

For CAT aspirants, choosing the best books for CAT by Arun Sharma remains a proven strategy. Arun Sharma CAT books latest edition 2026 has now evolved into a hybrid of print and digital learning, offering videos, mock tests, and thousands of practice questions.
